Career Profile

Good day, am Ogiji Maximilian. Am a 19-year-old graduate with a Bachelor of Science from ISM Adonai where I studied Computer Science. Am a web designer, frontend developer aspiring to become a Web 3 and FullStack developer. I hail from a little village from Benue State, Nigeria called Okpoga but i reside in Abuja Nigeria. I have had some experience on my work of line (Frontend developer), I have completed some projects on Frontend Mentor, had a bootcamp on Free Code Camp, Wildlearner, JavaScript 30 and JavaScript.info. I have been able to work with tools like Git, GitHub, Trello, Vercel, CodePen, Slack. Am also good in working with people, having some projects with Simon Ogiji, Alyssa and others. 2019-2022
